# Gerrans Parish Charity

## Supporting projects that benefit our community

## Have an idea for a project that would benefit our community?

Perhaps you have been nurturing an idea for a project for our community. One that would benefit all of our residents, or maybe a particular section of our community.

For example, we are currently supporting Roseland Community Transport to provide services to local NHS patients and Gerrans School to develop an outdoor learning project.

Whatever your idea, if you think that some funding would help make it happen, then come and talk to us at Gerrans Parish Charity.

Drop us an email (see details below) to find out more, or talk to one of our Trustees:

Andy Mullins, Bobbie Mitchell, Duncan Backus, Kevin Pratt, Ralph German, Rick Iddison or Sarah MacQueen.

**About us:**
Gerrans Parish Charity was formed in March 1994 by combining the capital remaining from three legacy trust funds which were originally established between 1828 and 1874. Our purpose is to raise funds to support initiatives that will benefit the community living within the Parish of Gerrans. We are registered with the Charities Commission and governed by a Board of Trustees from across the community. (Reg No 204126)
