

Frequently Asked Questions

What would I be asked to do?

As a Welcome Home Volunteer you will be asked to visit a person in their own home, after they are discharged from hospital to undertake an initial check and refer them on appropriately. You could be helping anyone in your community.

What do these visits involve?

The tasks vary according to the individual's needs, but will include; a home visit, identifying individual needs and potential risks, completing a basic checklist to return to Volunteer Cornwall, and other general help, as appropriate.

How much time do I need to commit?

The volunteering is designed to fit around your current commitments with flexible times and hours. We would prefer a commitment of a minimum of 2 hours a month or 2 visits (Monday - Friday).

Is the volunteering only during the working week?

No. Welcome Home continues during the weekend and bank holidays if you are available and wish to volunteer at these times.

Do I get any training for this?

We will provide you with bespoke training for the role and you will need to undergo a DBS check as part of your enrolment.

How do I find out more, or enrol?

Visit www.volunteercornwall.org.uk, call 01872 266987 or email marianne@volunteercornwall.org.uk.

You can also contact your local Community Maker:

Welcome Home

**Want to Make a Difference to People
in Your Community?
Why not Become a
Welcome Home Volunteer?**

How does it work?

**Welcome Home provides trained
volunteers to assist people who have
just left or about to leave hospital
and need a little bit of extra support.**

Being a Welcome Home
volunteer is a flexible way to
volunteer and can fit around
your current commitments,
whilst supporting your local
community.
