Supporting our community

Raising funds
to support
projects and
individuals in
our community

Will you help us invest in the future of our community?

We are fortunate to live in an extraordinary vibrant community in a beautiful setting. We want to help keep it that way. Gerrans Parish Charity exists to support local people further their individual training, education and career prospects, and to support projects that benefit the whole community. We also provide support for those in particular need. We are looking for local businesses, residents and visitors alike, to help us raise funds and make a difference.

If you would like to know more, drop us an email or talk to one of our Trustees: Andy Mullins, Bobbie Mitchell, Duncan Backus, Kevin Pratt, Ralph German, Rick Iddison or Sarah MacQueen. If you would like to make a donation, cheques should be made payable to "Gerrans PSH Martin Baker Harris Charity".

About us:

Gerrans Parish Charity was formed in March 1994 by combining the capital remaining from three legacy trust funds which were originally established between 1828 and 1874. Our purpose is to raise funds to support initiatives that will benefit the community living within the Parish of Gerrans. We are registered with the Charities Commission and governed by a Board of Trustees from across the community. (Reg No 204126)
