This will help the unpaid volunteers to maintain the service they provide to help safeguard users of the coast on land and sea around Portscatho. They provide a visual and VHF radio watch March to Nov. 0930-1830 (dates and times vary seasonally year to year).

We are also seeking donations to upgrade our electricity supply, so we can be more effective using improved technology. If you would like to help us achieve that goal donate online at [virginmoneygiving.com](http://virginmoneygiving.com) You can also donate when you shop online using [easyfundraising.org.uk](http://easyfundraising.org.uk)
